

WAKUSEI INU

Developed by planet heroes
for defi heroes

The Lite Paper

VERSION 1.0

INTRODUCTION

Wakusei Inu was founded in 2021 with aim to be the top decentralised meme project with a real purpose.

At Wakusei Inu, our main focus is to make popular defi and cryptocurrency' concepts more simple and accessible to early investors. With us, holders get to experience next generation concepts such as NFTs, staking, launchpad, and more.

We should take advantage of the rapid adoption of DEFI to help organisations that need funds to address climate change related issues faced by humanity. WAKUSEI INU' main mission is to impact our planet positively by using blockchain technology as a tool to help our planet. People waste Million of dollars on transaction fees that they will not recover, imagine investing those funds in our planet , not only will save lives but will create a better place for our children and their children.

Our planet matters !
